### Multi-agency Regional Training Update

Train the Trainer Events were delivered by New Pathways at the beginning of February. C&V RSB members nominated practitioners to attend on the expectation they would be able to deliver the training to their individual organisation and also to a multi-agency audience on behalf of C&V RSB. The dates of further rollout training will be confirmed in the near future.

C&V RSB is commissioning New Pathways to deliver additional training to 400 members of staff across the children's and adults sector. Dates for this will be released shortly.

### Multi-agency Regional Policies Update

- All documents outlined in the Wales Safeguarding Procedures as required documents for regions will be developed/updated by the Policies and Procedures Sub Group (or Nationally where appropriate). You will be updated as and when these are available.
