

Primary Mental Health Consultation Service

The Primary Mental Health team for Children and Young People have a duty system in place, to support professionals while social distancing is taking place.

When will the consultation service be available?

A clinician will be available Monday to Friday, between 9am and 2.30pm.

Who is the consultation service for and when should it be used?

It is available to all professionals who work with children and young people where there is a concern about mild to moderate emotional wellbeing difficulties.

How can I access this service?

A consultation request can be made by email to:

duty.PMHCYP@wales.nhs.uk

Please give a brief description of your request and return contact details. This will then be directed to the duty worker, who will then contact you.
