**National Safeguarding Week (NSGW) was held on  
12<sup>th</sup> – 16<sup>th</sup> November 2018.**

The theme for this year's NSGW was 'Exploitation' with a range of awareness raising events delivered across the region.

The Regional Safeguarding Boards held a very successful Young People's Conference at St Teilo's High School on 14<sup>th</sup> November, with CSE Ambassadors from schools presenting and a range of interactive workshops held. Dimitri Jordan and Jacob Riggons, from St. Giles Trust, who were re-formed gang members, spoke to pupils about their lived experiences and the dangers of knife crime, drug gangs, including County Lines.

The Professionals Conference also took place during the week with key presentations around 'Cyber Crime & Fraud Awareness', 'Human Exploitation in the 21<sup>st</sup> Century', 'Safeguarding Children in Sport', 'Independent Inquiry into Child Sexual Abuse' and 'Boys & Young Men at Risk of Sexual Exploitation', with the latter presentation based on research by Barnardos, with the voices of 4 young individuals who participated in the research also being heard.

A fitting finale to Safeguarding Week was the Safeguarding Awards Evening that was held at Cardiff Central Police Station. The ceremony helped recognise those who had made outstanding contributions to safeguarding throughout the year. The ceremony was opened by Assistant Chief Constable Jon Drake and awards were presented by Councillors Hinchey and Elsmore. It was a successful evening all round.

**The Board would like to thank all those who took part in making National Safeguarding Week a great success!**

### Review of the All Wales Safeguarding Procedures - Update

The Duty to Report Draft has been considered by the development group. Feedback from the consultation has been considered by the project board and appropriate actions are being taken forward.

The Initial Enquiry, Responding to a Report and Decision Making, has been split up into 2 separate parts due to the size of the section. Initial Enquiry and Responding to a Report has been seen by the development group and discussed at the project board and will be sent out for consultation. The development group will meet to discuss the Decision Making section in December and will then be discussed by the Board in January, ahead of being sent out for consultation.
